SLEEP DISTURBING BLADDER WEAKNESS BACKACHE-RHEUMATISM, QUICKLY VANISH

Even Most Chronic Sufferers
Find Relief After A Few
Doses Are Taken

Backache, urinary disorders, and rheumatism, are caused from weak, inactive kidneys, which fail to filter out the impurities and keep the blood pure, and the only way on earth to permanently and positively cure such troubles, is to remove the cause.

The new discovery, Croxone, cures such conditions because it reaches the very roots of the disease. It soaks right into the stopped up, inactive kidneys, through the walls and linings; cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles to scratch and irritate and cause rheumatism; it neutralizes the urine so it no longer irritates the tender membranes of the bladder, and cleans out and strengthens the stopped up, lifeless kidneys so they filter and sift all the poisons from

the blood, and drive it out of the system.

So sure, so positive, so quick and lasting, are the results obtained from the use of Croxone, that three doses a day for a few days are often all that is required to cure the worst case of backache, regulate the most annoying bladder disorders, and overcome the numerous other similar conditions.

It is the most wonderful preparation ever made for the purpose. It is entirely different from all other remedies. There is nothing else on earth to compare with it. It is so prepared that it is practically impossible to take it into the human system without results.

You can obtain an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give desired results, regardless of how old you are, how long you have suffered, or what else has failed to cure you.

governor of the State of South Carolina, in order that justice may be done and the majesty of the law upheld, do hereby offer a reward of one hundred (\$100.00) dollars, each, for the first ten (10) convictions of any persons, who shall be found guilty, under said laws, provided said ten (10) convictions shall be had in ten (10) different counties of said State.

In Testimony Hereof, I have hereto set my hand and caused the Great Seal of the State to be affixed, at Columbia, this first day of June A. D. one thousand nine hundred and fourteen, and in the one hundred and thirty-eighth year of the Independence of the United States of America.

The State.

Lexington, June 1.—D. Ike Shealy, Confederate veteran, progressive farmer and good citizen, a resident of Peak, died suddenly of heart failure on the second floor of the Home National Bank building in this town at 5 o'clock this afternoon. Mr. Shealy drove to Lexington this morning in company with his son, G. Holly Shealy, a member of the registration board of this county. He had just left the residence of Frank W. Shealy and had gone to the second floor of the building with George H. Koon, member of the Lexington county dispensary board. A few minutes later his son went into the building for his father and he found him in a sitting posture with his head resting on his elbow. A physician was summoned, but life was extinct.

Mr. Shealy, who was about 68 years of age, leaves four sons and three daughters. They are: L. Magnus Shealy, Collie M. Shealy, G. Hollie Shealy of Peak and Arthur I. Shealy, a telegraph operator at Ninety-Six; Mrs. W. T. Shealy and Miss Ira Shealy of Peak. He is also survived by two brothers and three sisters as follows: Noah E. Shealy and J. Andrew Shealy of Chapin, Mrs. Drayton I. Long of Little Mountain, Mrs. Geo. W. Swittenberg of Newberry, Mrs. John Sumner and Mrs. Jacob Clarke of Columbia. Mr. Shealy was a member of Eichelberger's company in the War Between

the Sections.

Mr. Shealy was a prominent member of the Little Mountain Lutheran church, being an active worker. He was also a prominent Mason. The funeral will be held from his late residence near Peak at 4 o'clock Tuesday afternoon, the Rev. J. J. Long officiating. The interment will follow in the family burying ground.

Jesse Shealy, a son of the deceased, died only about three weeks ago.

GRO GWAS FIRST USED IN 1740.

Admiral Vernon Made the First to Keep His Men Sober.

Secretary Daniels' order prohibiting alcoholic liquors on board ships of the navy and at navy yards has given rise to the question regarding the origin of the word "grog."

Vice Admiral Vernon, of the British squadron operating in the West Indies in 1740, the man for whom Washington's home was named, issued an order from which the word "grog" originated. His purposes was to regulate the naval ration in order to improve the personnel, to remedy existing conditions, and promote temperance.

Because of the demoralization of the men brought through over-indulgence in rum, the order providing for the use of diluted liquor was given. According to this order a quart of water had to be mixed with each pint of the West Indian beverage, and the usual ration was divided, half to be given before 11 o'clock in the forenoon, and the other half to be given late in the afternoon.

The men in their resentment at the interference on the part of their superior, ironically dubbed the diluted drink "grog" in his honor, Admiral Vernon had been nicknamed "Old Grog" because it was his custom to wear a heavy storm coat of "grog-grain," or, as the common English from form was, "gogram."
